## 1500 SERIES MODULES SWITCHES (ILLUMINATED)

### Description

1500 Series Illuminated Modular fit together easily and simply to provide any combination for a wide range of electrical installations. Each one is supplied complete to make installation as simple as possible.

### Features

- Breakthrough in style with quality plate finishes of pleasant curved design.
- Switches have silver contacts for best performance
- High gloss finishing offering long lasting protection
- Use of high impact resistant material, flame retarding & UV stabilized polycarbonate.
- Construction of switch mechanism is compact & simple with minimum parts.
- Large terminal faces to provide maximum installer versatility even in confined spaces.
- Innovative front fitting modular system
- This modular system provides maintenance versatility and cost effective.
- Clear & visible marking & symbol.

### Main Application

Suitable as a indicator/warning and commonly used in hotel rooms, bathroom or restroom.

### Materials & Finish

- Use of polycarbonate for all plastic components
- Brass & Copper for all conductivity components
- All contact point is silver welded for best performance

### Option

Accessories and color options upon request

### Quantity

Box Quantity : 20 pcs  
 Outer Box : 200 pcs

## TECHNICAL SPECIFICATION

### Electrical

Voltage rating: 250V a.c.

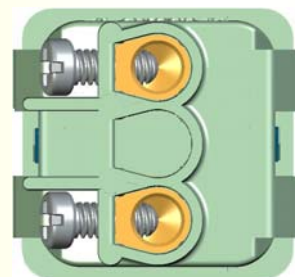

Unit	Rating	Terminal capacity
Indicator	12/24V AC/DC	2 x 2.5mm <sup>2</sup> , 4 x 1.5mm <sup>2</sup> ,
10A Indicator	10A	2 x 2.5mm <sup>2</sup> , 4 x 1.5mm <sup>2</sup> ,

### Physical

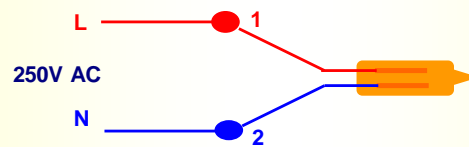

Max. installation altitude: 2000 meters

Dimension	L X W X H
Module Size	: 23 x 23 x 25mm
