1500 SERIES NON-SWITCHES MODULES (FAN CONTROLLER)

1597M

Description

1500 Series Fan Speed controller module fit together easily and simply to provide any combination for a wide range of electrical installations. Each one is supplied complete to make installation as simple as possible.

Features

- Breakthrough in style with quality plate finishes of pleasant curved design.
- Screwless appearance
- High gloss finishing offering long lasting protection.
- Use of high impact resistant material, flame retarding & UV stabilized polycarbonate.
- The construction of the mechanism is compact and simple with minimum parts.
- Excellent modular design features which allows easy cable connections.
- This modular system provides maintenance versatility and cost effective.

Main Application

Suitable to control fan speeds

Materials & Finish

Use of polycarbonate for all plastic components

Option

Accessories and color options upon request

Quantity

Box Quantity : 20 pcs
 Outer Box : 200 pcs

TECHNICAL SPECIFICATION

Electrical

Mains Supply Voltage : 250V a.c. 400VA
 Mains Supply Frequency : 50Hz

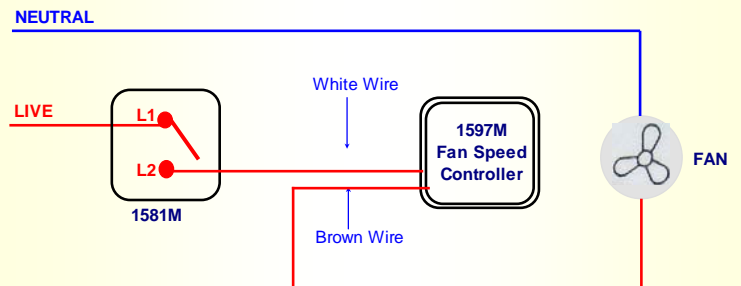

Physical

Max. installation altitude : 2000 meters

Dimension

Module Size : L X W X H
23 x 23 x 30mm
